Frequently Asked Questions

Do you work with pre-revenue or conditional licensees?

Yes! We help operators at every stage, from pre-revenue planning through full operations. We can set up your books correctly from day one or clean up existing systems.

What's your monthly pricing range?

Our monthly bookkeeping packages start at \$500 and scale based on transaction volume and complexity. We'll provide transparent pricing in your free consultation.

Can you clean up books from last year?

Absolutely. We offer catch-up bookkeeping services to reconstruct historical records and get you compliant for tax filing.

Are you local to New York?

Yes, we're based in NY and specialize in NYS cannabis regulations, OCM requirements, and multi-entity structures common in this industry.

What accounting software do you use?

We work with QuickBooks Online, Xero, and other major platforms. We can help you choose the best system for your cannabis business needs.
